

Damp and mould control with solar energy

Location **West Midlands, Warwickshire**
<https://www.freeadsz.co.uk/x-513369-z>

Alternative option to combat damp and mould in your property. No running costs with this Scandinavian solar energy solution (not to be confused with the traditional solar panels for energy). Cost from as little as £1500 fully installed. Please visit www.ljphome.com for more information and to view other services (kitchen and bathroom installations, general building).
