Lindam Wall Fix Push to Shut Extending Metal White Safety Gate About 73 cm high (but as you fix it slightly above floor level, the top bar will be higher...) and can extend from +/- 62 to +/- 102 cm. Very easy to fix to the wall/set the width to your need. Easy one hand opening, no step over bar. Please note that the wall screws (to fix the white plastic parts) are NOT provided. You will need 9. Common type available from DIY stores.... In working condition, but some scuffs due to usage + the odd mark left by kids'...
