We're new to the area, having expanded from Sevenoaks and Tonbridge. NO CALL OUT FEES for residential repairs in Ashford. £25.00 for a business call out. MCSE hardware engineers, Adobe certified web developers. British company, family run.

We know we're cheaper and more qualified than the competition, thats why we're expanding!

Our on site engineers also come with the reassurance of having had an enhanced DBS (formerly CRB) check, so you know you're in safe hands. Free quotes, no fix, no fee, freephone, we work weekends at no extra cost and have professional and personal references. Phalanx.
