Offers considered, cash only.
 Measurements below.

This suite is brand new, it has never been sat on. It was bought on Tuesday 28th March, and the reason for sale is that the company we bought it from (Sofa Giant, Doncaster) has refused to give us a refund or an exchange, even though the suite we bought is still brand new and was unfit for purpose due to it being too big for our room. Attached on the photos is the receipt for how much we paid.
