There's nothing more iconic of the capital than the Tower of London. And nothing more perfect than having the time to enjoy the city without thinking about getting home. We have eight 3* hotels on offer, all offering you a full breakfast and a choice of twin or double room. You can stay for one night, or extend your mini break to two nights, leaving you ample time to discover the restaurants, cafes, museums, shops and other attractions and hangouts London has to offer, all from easy reach from your central location. Or why not make your stay extra special by upgrading your hotel to one of our fabulous 4* options? Whichever you choose, you'll have a fantastic time in the city. This experience includes tickets to the Tower of London, a popular attraction famous for the wandering ravens, Beefeaters, royal connections and infamous prisoners. Visit the Crown Jewels, a collection of various jewels and crowns worn by monarchs including Queen Elizabeth II, who still wears many of them to this day. The White Tower is known as one of the most notable castle keeps you'll see, designed to intimidate disorderly Londoners. Visit the tower to see the Norman history come to life and explore the Royal Armouries Collections. You can also see how the tower was used over the centuries, while marvelling at the familiar sight of the Yeoman Warders, otherwise known as "Beefeaters". Perhaps its most famous purpose being as a prison from the year

1100 right up until 1952, with a whole host of well-known inmates all with intriguing stories to discover.
