TV 50 inch LG 50PG6010 HD Ready Digital Freeview Plasma Integrated Digital Tuner
 Great Working Order + Black Glass and Chrome Unit The 50PG6010 plasma television has a dynamic contrast rate of 30,000:1 and a brightness of 1500 cd/m², for unbeatable image quality with deep and realistic colours. It boasts an extensive connections system, with 4 HDMI ports, 2 scart sockets and a PC entry. What's more, you can enjoy Digital Freeview channels thanks to the built-in digital tuner! You'll never watch television in the same way again! This is working fine and only selling as we have replaced it with a new Smart TV and nowhere to put this as too large for a bedroom. Complete with working remote control and manual. The on switch can be temperamental and sometimes takes a couple of presses to come on. It has been like this for about 2 months and we have used it daily without any concern to us. The condition of is AS NEW. Black surround frame. A beautiful large black glass and chrome shelved unit goes with it. Viewing welcome Bridgend area. Two man lift as it is a heavy TV. PAYMENT CASH ON COLLECTION
