I am a female photographer with passion , working on professional full-frame Canon camera and top lenses, offering a day to remember with top quality photos capturing that special occasion in your life. I also got a spare equipment (camera body, lenses, flash) in case, to make sure everything will go fine on your wedding day.

I am in love with documentary photography, it's the best way to tell the story of your special day. I'm enthusiastic, hard working and friendly (what makes customers feel comfortable in front of the camera) and ensure my pictures tell a genuine story of your wedding day.
