Alton 8x8 octagonal cedar greenhouse for sale, comes with fitted staging, 2 vents on side and 2 auto vents in the lantern. It's been treated with 4 coats of sadolins and will not need treating for at least 10 yrs. I'm asking £750 for the greenhouse itself. If an erection service is required then that will be an extra £320 as it's a 2 man job. I'll dismantle and deliver if you only want the greenhouse without.
