

Bestway above-ground swimming pool for sale. 2 years old but in a great condition. Selling due to being outgrown by the kids. Perfect size for an average garden – big enough to fit a family of 4, but not too huge that it will overpower your garden. Last spring we repaired a couple of pin-sized holes with Bestway pool repair kit and we haven't had any problems since. It's been jet-washed and is ready to be put back together. Collection only or will deliver very locally (within 10 miles of Camberley. This does not include the cover; see below). Included with the swimming pool: Water heater Pump Pump filters x 3 Tubes and clips for filter and pump Extendable pool net Ladder Heavy duty polycarbonate cover Ground sheet Water test kit Floating chlorine dispenser Chlorine tablets Granular shock powder PH + and - balancing liquid 2 water thermometers Mosquito/anti bug dunks Algaecide (the above supplies are opened/started packs, none are full) Also, we have a heavy-duty solid pool cover (4.0 x 2.1m, polycarbonate, very heavy, we paid £115 for it last year). It is fantastic at keeping the heat in and the dirt out (compared to so-called solar covers, which are nothing but a large sheet of bubble wrap and collects dust / is pain to clean). Please bear in mind that if you want the cover – it's free/included but you'd have to arrange the collection yourself as it is too large for us to deliver. You would also need 2 people to lift. Please note I reserve the right to end this listing at any point as this item is advertised elsewhere. **DIMENSIONS** 13.5ft x 79" x 48" / 4.1m x 2.0m x 1.2m **DESCRIPTION** The 13.5ft Bestway Power Steel™ Rectangular Frame Pool Set is from Bestway's renowned range of superior strength, steel-framed above ground pools. **Features:** Extra strength side walls are made with advanced TriTech material with 3 separate layers Heavy-duty rust-resistant metal frames Flow control drain valve for easy draining Easy to set up The metal frame pool is incredibly easy to construct, requiring no more than a pair of hands. Rigid, oval-

shaped steel tube framing help create the shape of the rectangular pool and hold the durable "metal tech" pool liner in place. In addition, needed structural parts are offered. Easy to turn in any way pool liner allows for the best flow control and valve placement. Molding, which attaches to the liner, keeps so you can easily drain the pool and for your safety, the soggy liner can also include a separate sunbathing area. Water proof that will significantly speed up the draining of the pool. Durable PVC liner. Bestway's trademarked Tri-Tech™ construction, this material features a 3 ply reinforced layering system; a polyester mesh core encased in two layers of heavy gauge PVC, offering the utmost strength and durability. Built to withstand large water volume weight, harsh ultraviolet rays and chlorine, and all weather elements it is a pool that's going to stand the test of time, giving you seasons and seasons of summer fun!

13.5ft Bestway Above Ground Swimming Pool with lots of extras total value over 700. **Massive saving**
