Bestway above-ground swimming pool for sale. 2 years old but in a great condition. Selling due to being outgrown by the kids. Perfect size for an average garden - big enough to fit a family of 4, but not too huge that it will overpower your garden. Last spring we repaired a couple of pin-sized holes with Bestway pool repair kit and we haven't had any problems since. It's been jet-washed and is ready to be put back together. Collection only or will deliver very locally (within 10 miles of Camberley. This does not include the cover; see below). Included with the swimming pool: Water heater Pump Pump filters x 3 Tubes and clips for filter and pump Extendable pool net Ladder Heavy duty polycarbonate cover Ground sheet Water test kit Floating chlorine dispenser Chlorine tables Granular shock powder PH + and - balancing liquid 2 water thermometers Mosquito/anti buq dunks Algaecide (the above supplies are opened/started packs, none are full) Also, we have a heavy-duty solid pool cover (4.0 x 2.1m, polycarbonate, very heavy, we paid £115 for it last year). It is fantastic at keeping the heat in and the dirt out (compared to so-called solar covers, which are nothing but a large sheet of bubble wrap and collects dust / is pain to clean). Please bear in mind that if you want the cover – it's free/included but you'd have to arrange the collection yourself as it is too large for us to deliver. You would also need 2 people to lift. Please note I reserve the right to end this listing at any point as this item is advertised elsewhere.
