Amazing beige colour pair of heel sandals for British spring and summer! This pair is in perfect condition as I've only worn them 2- 3 times before. The laces make it extra cute and sexy. The strap design is perfect for casual weekends and nights out! Perfect with jeans, shorts, skirts and one piece dresses! Feel free to contact me via email if you are interested in this pair! Price is negotiable! I also have other shoes on sale, feel free to browse other shoes in my account. There might be that perfect pair for!
