Pair of loaners wanted for two lovely happy hackers. Based in Houghton, near Arundel with amazing hacking right onto the south downs way and easy hacking distance to Houghton Forest. Both geldings, Jim (chestnut) is 16.2 and Vic (bay) 17.2 – don't let the size put you off, they are a very easy hack out together but not novice rides as ex racers. If hacked alone Jim is challenging as he has separation issues but Vic is great on his own. Ideally looking for a couple of friends who would look after these boys one day per week (Between Tuesday - Friday) as if they were their own, be reliable and pay a contribution towards their keep. No under 18's unless accompanied by an experienced adult at all times. If you are interested please contact.
