I am selling this mattress as I have downsized to a single bed in the spare room to make space for storage. It is about 5 years old and it has always had a Mattress Protector and Fitted Sheets on it. It comes from a No Smoking and No Pets household. There are no defects or marks on it and it is very clean. The price new on the Internet is £219 so I think £50 is a good price and I have priced it low as I realise that a buyer might have to hire a van to collect it and also because I want it out of the room as soon as possible to free up space. You are welcome to come and have a look first before you hire a van and are free to say no if you decide you don't want it. I can be in during the day any day by arrangement. Thanks for.
