I build your dream, I build your house (1.N.) A good saying says : Whoever wants to change his destiny, changes his thinking, changes his house. You have a dream, I transform it into reality. When you have the house, I make you more designs of your dreams: expansion, conversion, change the interior and exterior and you choose the variant you want. We can now proceed to execute the works. I have SPECIALIZED TEAMS for each of these guilds : site managers , shutters ,carpenters, bricklayers , finishers, electricians , specialists in home automation , plumbers . We offer professional , high-end and complete building services in London. I control, manage and manage everything. You have visualizacion every day of the facts. Everything I do, from authorizations to execution and even the final key. You do not have the house but you want it? I find it and modify it as you have dreamed . I buy and transform fixer - uppers into dream homes on a strict on time -line and budget. Best Regards , Dr. Ing .Constantin [www.loftconversionfortebracci.webnode](http://www.loftconversionfortebracci.webnode)
