Take a theatre break that will make your heart thump and see a smash-hit – Stomp. Staying in the vibrant city of London, you have the choice of either three or four-star accommodation: all with great links for getting around and exploring, Wi-Fi, en-suite facilities and a full breakfast in the morning. What more can you ask for? Don't forget your best available ticket to worldwide sensation Stomp! This uniquely upbeat show has been running – or perhaps we should say beating – for 25 years. It blends unusual and ambitious percussion with spellbinding dance and toe-tapping rhythm. But don't expect to see familiar instruments. The cast will make your hair stand on end by using everyday items to create a beat. And when they do it in unison you get to see a real art at play. Playing at the Ambassadors Theatre, a short walk from Leicester Square tube station, Stomp is a mix of comedy, dance and music created and directed by Luke Cresswell and Steve McNicholas. Played in 53 different countries and proud winners of several awards globally, this cyclone of tempo is a refreshing and electrifying show for all ages. With Stomp, there is music to be made just about anywhere with just about anything! 3* Hotels
