IMPORTANT

After we build your site we will not just vanish like other designers. We will be here for you all the way, offering support and help for the online part of your business. We take care of your site, you take care of your clients. Simple!

Future Editing Once your site has been built and is good to go you have two choices for future edits.

1. We will teach you how to do it yourself using our video tutorials.

2. Don't have time to learn? Not a problem we can edit your site for you. Just send us a support ticket telling us what you want adding or editing and we will take care of it for you. What is more for that service we bill by the minute NOT by the hour. In other words if an edit takes us 15 minutes that is ALL you pay for. No one hour minimums here!

What are you waiting for? Let us get YOUR business online looking great!
