We would like to welcome you to our friendly family based tennis club, the club has 9 courts of which three are indoors and allow tennis to be played all year round regardless of weather, always a plus point given our unpredictable climate. To get involved in the day please feel free to register on one of the sessions below, where you can get a raquet in your hand and hit some balls. Alternatively drop in and meet one of the team who will be happy to answer any questions you may have. There is always lots on offer at the club from the complete beginner through to the competition focussed player. Hit some balls, learn some new technique, meet some new friends and have fun. At our event, please look out for the membership offers that will be available on the day. If you have any queries please email the club on click to contact.
