One of 2016's finest thrillers, The Girl With All The Gifts was based on the 2014 novel of the same name and presented a unique and fascinating new take on the zombie story. Following a young girl, Melanie, who is held prisoner, educated and studied in a secure facility, the horrifying truth about her and her classmates will soon be revealed... The Girl With All The Gifts has found great acclaim for its originality, characterisation and emotional impact. Both novel and script were penned by M. R. Carey, who was recently nominated for a Bafta for Most Outstanding Debut by a British Writer, Director or Producer. Carey will be on hand for this special event to discuss his work, take your questions and also give a first look at The Boy on The Bridge, the much-anticipated new novel set in the world of Girl, with pre-release copies on sale on the night. Attendees to this event can see The Girl With All The Gifts on the same evening at 8:30pm at the bargain price of £3.50 per ticket. Contact the QUAD box office (01332 290606 (01332 2906...(click to reveal full phone number)) to redeem this.
