Location **Yorkshire and the Humber, South Humberside**  
<https://www.freeadsz.co.uk/x-518249-z>

Lovely cheap little car for sale  
 My 2003 Honda Jazz  
 1339cc MOT to 28/3/18 with ZERO ADVISORIES  
 Please do not expect a showroom car here.....it has a few little marks as you would expect for a 14 year old car.....this car has been in our family for the last 9 years  
 VERY reliable, New battery last year  
 I average 46mpg in it  
 Central Locking, PAS, Airbags  
 4 Very Good Tyres  
 These cars have a cam chain not a belt.....so no expensive replacements to worry about  
 The bad points :  
 Slight dent on rear door from a car opening their door into it in a car park  
 A couple of bumper scuffs caused by other vehicles not quite judging the width of our lane correctly but these are only surface scuffs  
 Drivers door lock defective (common fault with the Jazz) but central locking works from passenger door & boot & has never been an issue for me (could be a quick fix.....not sure)  
 Ready for an oil & filter change  
 car available from Saturday 22/4  
 NO TYRE KICKERS & AT THIS PRICE NO!!
