Product: Magnetic Shielding Foil for Your Laptop Keyboard Base

Product Details:

Laptop computers have high EMF emissions because the entire computer is at your fingertips. This MAGNETIC SHIELDING FOIL slips easily on the top of the base of the laptop to reduce magnetic field emissions in the direction of your body. Reduces the field by 90%! Sides are left open so you can plug in a remote keyboard and mouse for access. Simple but effective and fits most laptops. Available for PICKUP at Earle Road, Liverpool, L7.
