Product: Computer Monitor and TV Screen Shield!

Condition: In a very good condition.

Product Details:

Transparent Electric Field Shielding.

Great for Laptops, Desktop Screens and TVs!

Want shielding you can see through? Using LESSEmf 40 dB VeilShield fabric for great RF and 100% E-field shielding, highly transparent. Can help reduce sensitivity to electric fields. Frame is 3/4 inch wide, 1/4 inch thick. Includes 6 foot ground cord. Attaches to your display with adhesive hook and loop (included)  
Note: If you cover a touch screen, you cannot use the "touch" feature. Some Moiré pattern is inevitable, so not recommended for high resolution work.

Has a US connection plug and has to be changed to a UK one by an electrician.

This one was custom made to my laptop screen... never used! But since my laptop screen its a bit bigger than the average ones, it should work for any average screen. It was bought and it's still being sold today for \$100... I'm selling it for only £10. Available for PICKUP at Earle Road, Liverpool, L7.
