Mature, mobile male masseur with many years' experience offers a full-body therapeutic oil massage – or deep tissue if you're the sporty type - for total relaxation and easing of those tense muscles or for combating stress. This is a call-out service only (anywhere within easy distance of Ashford) allowing you to enjoy the warmth and security of your own place and a chance to shower afterwards. I have great hands - a regular comment – and realistic rates from £30 for a one hour session or £45 for a more leisurely 90 minutes. Each session is adjusted to your needs so you can have every confidence: whether a massage newbie or an old hand you'll really appreciate the experience. Email, phone or text Justin (07864 822922 (07864 8229...(click to reveal full phone number) ) to make that.
