

Mercedes 190SL Project Car 1956 (34,500 GBP)

Location **Scotland, Stirlingshire**
<https://www.freeadsz.co.uk/x-518403-z>

Was stored since 1971.
Euro version with 46519 Klm original miles. Car displays exceptional original qualities: ie radiator core not dented, drivers side cardboard heater box in perfect condition, & original spark plug caps in place. Also undercarriage has surface rust only, with some floor board damage but generally the unibody is very good. 190 SL has a Bill of Sale. Excellent restoration candidate. Coupe – Hardtop & soft top.
