

MODEL RAILWAY LAYOUT TURNTABLE AND TRACK 00 GAUGE (80 GBP)

Location

South West, Avon

<https://www.freeadsz.co.uk/x-518449-z>

Train layout set size 5' x 4' (152cm x 122cm). The baseboard is made up of 3 (3mm) sheets of MDF. The centre sheet has been channelled out to allow for cables. All sheets have been glued and bolted around the edge/corners. The top sheet has been painted green to give the effect of grass. All track has been mounted on foam underlay and is tacked into position. The set consists of: Track - straights, curves and 11 points. Hornby electric turntable Buffers 4 controllers All electrical contacts are situated in such a way that all 3 circuits can run independently with the centre circuit also managing the turntable via a separate switch. All track, turntable and controllers have been tested and are fully functional. The track consists of a mixture of fixed curves as well as flexi track. Also included is additional track and a selection of assembled Superquick model card kit buildings – not shown in photos. From a smoke and pet free home. A selection of Hornby trains are listed.

A QR code is located at the top left of the page, with the URL <https://www.freedadsz.co.uk/x-5184-49-z> written below it in a smaller font.
