Product: Low EMF Computer Mouse, ball type!

Quantity: 2.

Condition: In a good condition! - Only have 1 box and it is a little bit damaged but the mice work just fine.

Product Details:

Retro Design, Ultra Low Emissions"

We looked high and low for a low EMF emission PS2 computer mouse. Older model ball mice. Testing with a Trifield meter revealed no measurable emissions on magnetic or electric field settings!

Old style ball for detection of movement, so no high emission optical electronics. Will plug and play on many computers (not Apple).

Available for PICKUP at Earle Road, Liverpool, L7.
