Gorgeous waggy tailed springer puppies. Reared in a family house and used to small children and cats. Mum Fern is our beautiful girl, who is a valued member of our family. Fern is also a very obedient trained companion to my husband. Dad Troy is our friends stunning dog and often accompanies Fern on walks. Pups are weaned onto puppy food and have been docked with DEFRA certificate. They have been microchipped. Some of the pups have mischievous playful natures and some have laid back characters. These puppies will be a welcomed addition to their new home and will be missed. Wormed every two weeks and front lined. All puppies available are in the pictures I do not have any more photos as I am not a photographer. Photo of Fern are also in the advert. Many FTCH in pedigrees, puppies come with 4 week pet plan.
