Shirley Massage Centre Welcome to the new modern massage centre based in Shirley, Solihull. If you're struggling with injuries, old age or just general aches and pains, there's nothing quite like a massage to help you get going again and recover your zest. We are experts at identifying areas of stress or injury and also at working with and around pre-existing injuries.

"New Customers" receive £5 discount for 1 hour bookings. at our newly decorated / modernised salon all equipment is new including top of the range comfortable massage tables and we have a new installed shower facility available for your use. Never had a massage try our 15 minute taster session for just £15.

All customers receive 10 minutes extra free on 60 minute bookings. Pay for 60 minutes get 70 minutes WOW.

OUR SERVICES.

Origin point massage originated from the far East, the purpose of origin point massage is to tackle the root cause of pain. This entails massaging pressure points found alongside the spine, back of leg etc. Only by tackling the root cause of pain can long term relief from pain be achieved, why not give it a try? As they say, no pain no gain. The technique is simple, and yet the result is immediate and typically, amazing too.
