Location **North, South Wirral**  
<https://www.freeadsz.co.uk/x-520653-z>

\*\*\* one reserved \*\*\* We have for sale a stunning litter of 4 boys.

Mum, who's first litter it is self whelped all the puppies and is proving to be an amazing mum.

They are all fawn in colour ( 2 have slight apricot colourings )

Mum is fawn, KC registered, beautiful looking and a true to type pug.

Dad-is the stunning Polo who is white,

KC Registered and also carries white, platinum and silver chinchilla. He is PDE Tested N/N clear. The pups if tested also carry the same genetics as their father so could become top quality Stud dogs of the future.

These puppies are being raised in our front room with total care and attention and are being brought up around the usual noises of daily life.

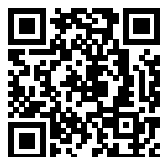

The puppies will be able to leave us on the 4th May when they are 8 weeks old, with all KC paperwork, will have been wormed using panacur at 3,5&7 weeks, flea treated and also microchipped.

Please contact me if you have any questions.
