RICHARDS GARDENS started in Manchester 16 years ago. Due to high demand RICHARD'S GARDENS made the choice to move to Milton Keynes, RICHARD'S GARDENS is now ready to serve Milton Keynes for many years to come. You will see a deference to your garden in a few days when the work has started. At RICHARD'S GARDENS we do more than look at your garden what we are doing is visualizing what your garden is going to look like when it is finished. We will then draw up a plan of your garden to see if you like it. PLEASE NOTE:- we can change the paper plan at any time BEFOR we start working on your garden, the paper plan can't be changed when the work on your garden starts, the visualizing, paper plan and assessment is free. RICHARD'S GARDENS opens in April 1st and will close in November 30th. From December, January, Febuary and March we will be taking bookings for the new gardening season. For you this will be a good time to book us as we will get very busy and we don't want you to miss out.
