The accommodation is a a big four bedroom house with a huge garden. I live alone and I work full time. I am sociable and easygoing. I do try and be flexible but would like the other person to be considerate and respectful in my house. Each room has a small double bed, a desk with a chair and a built in wardrobe with chest of drawers. I would be flexible to any additional requirements. I have two rooms so you may have a choice! You would have access to facilities around the house and you would have your own fridge in the kitchen. The house is located near to lfield station, convenient bus routes including a route to Gatwick airport. It is about 20 minute walk to Crawley town. I am also on spare room website. Deposit and references required. Rent includes all bills excluding phone and.
