just had a full serviced best castrol oil
Glow plugs changed
new fuel filter
new oil filter

nice alloys got spare keys new bushes injectors cleaned one years MOT Drives amazing only reason I'm selling it is due to getting a 4x4 runs very smooth most important thing is the fuel - very economical actually it is the same if not better than my 1.2 clio on fuel. I've kept this car very clean and change things constantly making sure there is no wear and tear. A tiny amount of scratches due to age but they are hardly noticeable only if you look in depth when buffing ect. No pets so no hair or marks used as a family car.

I am very busy so please no time wasters, Thank you - Robin.
