A wonderful example of the sleek Chevrolet Cruze in black. Top of the range LT version with high spec including air conditioning, alloy wheels, CD player with AUX input, cruise control, electric windows, power steering, rear parking sensors, remote central locking and traction control. Just one careful, local lady owner since one year old and one business owner prior. Clearly a well looked after car with only 32,000 miles on the clock, which is mirrored by the excellent condition all round. A real good looking, modern and great value 5 door family hatch. Comes with an April 2017 MOT (no advisories).

Power Steering, Cruise Control, Electric Windows, CD
