The industry's reference Smart platform just got better. The leading Smart TV experience is now even more powerful, with faster access to Smart features, true multitasking and an intuitive interface. As soon as you turn your TV on the Smart Hub provides instant access to your most frequently used and favourite content, channels and sources from the new customisable bar at the bottom of the screen. To enable you to access even more great entertainment the Smart Hub intelligently organises and manages all your content into five easy to navigate panels: On TV; Movies & TV Shows; Multimedia; Apps; and Games panel.1

Enjoying Smart TV is now easier and faster Enjoy great gaming on your TV without a console

Now you don't need a game console to enjoy exciting gaming at home. You can play the latest exciting games right on your Samsung Smart TV. Explore games using the new Smart Hub Games Panel, with categories including racing, sports, action and family games. You can even use your Samsung Smart Control or a compatible mobile device as the game controller. Enjoy some more family time with the Games Panel.2

Enjoy great gaming on your TV without a console All the excitement of the big match with Football Mode

Feel like you're actually in the stadium cheering on your favourite team with Samsung's Football Mode. At the press of a button it optimises picture and sound settings for a better football viewing experience. With the Auto Highlights feature, your TV can automatically select and save important moments of the big match on your connected hard drive (not included) so that you can watch them again and again at your leisure.3

All the excitement of the big match with Football Mode Discover a new reality in Full HD

Enjoy a greater level of home entertainment realism than ever before. Thanks to a resolution twice as high as standard HD TVs, your Samsung FHD TV delivers a breathtaking viewing experience that takes you beyond the screen into a world of total immersion. When you've seen the rich and vivid texture of Full HD images, your favorite TV programs and movies will never be the same again. Discover reality with a full high definition experience.

Updated Smart View connects your TV, devices and content

Samsung's latest Smart View 2.0 app makes it easier to enjoy all your content however you like. Using your home network, you can stream live broadcast TV content to your smartphone or tablet and use your mobile device as a TV remote control. Or you can access and enjoy content on your Smart TV from your

smartphone or PC through Smart Hub's Multimedia Panel. It's easy to use, so all you have to do is enjoy.4

Updated Smart View connects your TV, devices and content See your mobile content on a large TV screen quickly and easily

With your new Samsung Smart TV, you can enjoy content from mobile devices on a bigger screen quickly and easily. Samsung's enhanced screen mirroring technology makes the process simple, with no need to change the TV source. Just open the notification panel on your mobile device, select the Screen Mirroring icon and select the TV. That's all you need to do to enjoy apps, games and more on a full-size TV. 5 See your mobile content on a large TV screen quickly and easily More vibrant colours for better images

Using an advanced picture quality improvement algorithm, Samsung's Wide Colour Enhancer Plus drastically improves the quality of any image and uncovers hidden.
