My name is Max and I'm a vocal coach / vocal producer with 12 years of teaching experience. I'm based in Tileyard Studios, King's Cross, one of London most exciting music industry hubs. My lessons will help you develop your voice, by identifying and improving your weaknesses while developing your strengths. I will create and regularly assess a program of tailor-made exercises that will specifically help you to:

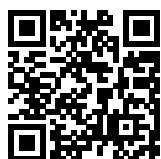

- Remove tension on high notes and sing in an effortless way
- Increase your range
- Increase your vocal strength
- Improve control over your pitch
- Improve your breathing technique
- Correct postural faults
- Find your mixed voice
- Prepare for a recording session or an audition
- Learn microphone technique
- Add style to a song
