Mutual house exchange required. Three bedroomed terraced house in a desirable residential street in West Dulwich London SE21 (non estate), this is a Housing Association home and has three bedrooms, a large through lounge/diner, decent sized kitchen, small but private garden and on street free parking. Close to excellent transport links and good schools. I want to move to Bexhill and need a two or three bedroom house. Would prefer to be near the Old Town, near the centre of town or towards Little Common but open to any offers including multi housing.
