

Suzuki GSX 2014 (5,795 GBP)

Location **West Midlands, Herefordshire**
<https://www.freeadsz.co.uk/x-523156-z>

Sweetest smoothest motor you are ever likely to use, all the grunt is low down, (4500 RPM) to be exact, makes this bike very easy to ride, and a joy on the open road, this one has all the bells and whistles on the bike, ideal for commuting and road trips abroad, a true all.
