well, the bargins just keep coming.....i have a beautifully silver arched shaped double bed frame,its thick and silver in colour the head part arches like a bridge as does the end also at a lower height, the bottom frame is also metal so no bendy bits off wooden slats, the frame is in very good condition as this was used in the spare room for when guest stayed, it does come with a mattress if you would like that,and again guys open to sensible offers please contact by phone on 07947817345
079478173...(click to reveal full phone number)
