

# Dance amp Fitness Studio Hire (great location near to Ikea and the M32 in Bristol)

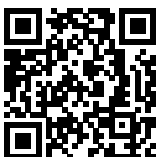

Location

South West, Avon

<https://www.freeadsz.co.uk/x-523217-z>

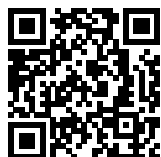

Streetenvy Dance Studio is available for hire to regular and irregular guest instructors regardless as to whether it is a class, one2one or small group rehearsals. The studio, used on a weekly basis to teach dance and fitness classes of various styles has plenty of space to comfortably fit 25 adults/30 children, professional mirrors, flooring and a sound system. We have plenty of exercise mats and fitness equipment you are welcome to use at no additional cost. You are also welcome to bring your own props with you. While airy and naturally lit by a large window, you can select to have curtains up to black out the studio or to hold classes which require more privacy. Parking is plentiful and free to all participants and instructors. The building also has a restaurant, supermarket and bathroom facilities available to use. We are a stone's throw away from a major supermarket, retail park with coffee shops and restaurants. Having had to rent out other properties in the past to hold classes we know how frustrating it can be to have last minute cancellations due to school/church hall or other scenarios propping up – once paid for and confirmed, Streetenvy studio will 100% be yours during the time you have booked. We will ensure our studio is clean and tidied for your event with free set up time where available. For a tour and more info such as availability and pricing please send us an email. We have more images available on our.
