BRAND NEW Maver Abyss Carp Rod,

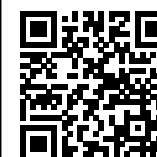

The new Abyss range raises the bar to a level before seen for entry level carp rods. The attention to detail lavished on this range at these prices points is a first for the tackle industry.

From the carefully selected guides and whippings to the beautifully engraved end caps, build quality is unrivalled at this level. Offering incredible value for money, experienced anglers, newcomers and juniors can now look the part without having to break the bank.

These superb rods have a wonderful forgiving, fish- playing action, which is especially important on rods of this level so no damage is done to the fish. Combine this with a perfect casting action and you could be easily be forgiven for thinking these rods retailed at twice as much. Key Features Rod Length: 12ft Test Curve: 3.00LB Quality SIC lined guides throughout 20mm reel seat to accommodate big pit reels Stylish matt finish Marker whipping for rod alignment Slim shrink tube butt grip Line Clip Minimalist
