CALLING ALL BRASS - PLAY IT AGAIN.

Ever played a brass instrument ? Want to play it again ?

EVOLUTION BRASS is a unique group for ALL brass players - any age, any clef, any standard.

It teaches you to enjoy all aspects of music with enthusiastic players and prepares you for orchestra, brass, concert or small gig bands. Band Trainer Sian Buss, an experienced teacher and performer, is looking forward to helping more players move forward with their playing. 'Evolution Brass is a unique in that it welcomes trumpets alongside cornets, French horns alongside tenor horns. Most local groups restrict to one or other. We have helped many players move on to a future in brass bands and orchestras rather than giving up such a wonderful hobby.' Evolution Brass works on reading, performing, understanding and all other aspects of playing in an ensemble.

Based in Burgess Hill, the group operates term time only with concerts for family and friends. Music, tuition, refreshments all supplied.

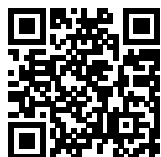

EVOLUTION BRASS is friendly, focused, fun and ENJOY MAKING MUSIC.
