For sale PlayStation 4 with 1TB memory, Controller, HDMI cable, power lead and 13 games (all in cases, not scratched and all play perfect). In immaculate condition and the only reason for sale is i now have a gaming PC so i rarely play on it. Seems a shame for it be sat there when someone else can make use of it. The list of games it comes with are:- 1. Assassin Creed's Syndicate 2. Tom Clancy's Rainbow Siege 3. Mad Max 4. Call of Duty Infinite Warfare/Remastered 5. Watchdogs 2 6. Fallout 4 7. Fifa 17 8. Until Dawn 9. Watchdogs 10. Call of Duty Black Ops 3 11. Star Wars Battlefront 12. Uncharted 13. Battlefield 1 All can be seen working and discs inspected. The only thing it doesn't come with is the controller charge wire, but i used my Samsung wire. Any charging cable with a similar USB will work perfectly fine. One last thing console comes boxed in the original box, the outer sleeve that is shown in pictures has been torn when it was first opened. It doesn't effect use of the console itself and was used as proof its the 1TB.
