. . . you probably already know all about the Citroen Romahome Duo Hylo. If not, read on. 2001 registered coachbuilt Citroen Romahome Duo Hylo Diesel for sale; one careful, houseproud owner who has travelled in it a LOT - hence the high mileage (170,000 - no that's not a typing error). Always garage serviced; full service record. Taxed and tested until December 2017. Seats and sleeps two. All the usual 2001 model Duo Hylo equipment - blinds, fly-screens, end kitchen with two-burner hob, grill, small fridge, sink; on board water tank. External 240v point for hook-ups. Rising roof. Full respray at 133,000 miles. Upholstery is free of rips/tears; seat covers have been in use most of the time. Owner and partner both non-smokers; no pets. This is as small as a car, an all-round vehicle; I used it to commute to work across North Yorkshire as well as for leisure travel in the UK and abroad. Classed as a car, on ferries. If circumstances had not changed, I would not be selling this home-from-home; I'm sorry to see it go - I've loved it and so can you. Make me an?
