

we are very proud to announce the safe arrival of our french bulldog puppies.
mum is our family pet and has a very loving and laid back attitude, she is hc clear and vet checked regular.
dad is a blue and tan stud dog that carries chocolate, he is cmr1, dm, huu and jhc clear he is also silver health tested,
both mum and dads health records will leave with each pup,
puppies are being raised in a loving family home with all round the clock care from a very knowledgeable family,
puppies will be vet checked and wormed every 2 weeks with records from the vets to show what has been given,
they will be kc registered,
flea treated for prevention
micro-chipped
first vaccination
they will have a puppy contract from the r.s.p.c.a
4 weeks insurance,
a week's worth of food
a blanket with mums smell on to help them settle into there new home,
and a life time of support for there new family
puppies that are available are
