

Vauxhall Vivaro 2009 (4,250 GBP)

Location **South West, Wiltshire**

I purchased this van last June to transport my fishing gear, but due to ill health I have not done many miles between the MOT 2016 till the new MOT this April. I have had near brake discs and pads, 2 full services, tow bar fitted and Continental van tyres. Side windows if fitted ready, bulk head, ply lined and rubber
