1 Former keeper, FULL AUDI SERVICE HISTORY with 3 stamps in line with the Audi service schedule and a long MOT with no advisories. This Audi A3 comes with the 1.6Tdi which offers an incredible 76mpg on a run and is just £30 per year tax thanks to its super low emissions! This one has been well cared for inside and out. The car drives lovely and feels great on the road, just as you would expect from a prestige brand like Audi. The DSG automatic gearbox is one of the best on the market, it's fantastic to use and this one feels perfect with quick/smooth gear changes, The tyres have a good level of tread & the wheels are tidy too, The SE has a great spec such as Air conditioning, 16" Alloy Wheels, 4x Electric Windows, Electric Mirrors, Radio/CD Player, Multi-function steering wheel, Traction control and more. If you're in the market for an A3 that's been well cared for then we don't think you could go wrong with this one, it's a really genuine car and is worth adding to your shortlist.
