

Audi Tt 2001 (550 GBP)

Location **South West, Avon**
<https://www.freeadsz.co.uk/x-524967-z>

**** NON RUNNER****

suspected cam belt failure, engine is not running. Appart from the engine fail, this Audi tt Quattro 225bhp bam engine model is in good condition for the age. Could be baught to fix or baught for spares and repairs.

Interior and exterior both in great condition, good seats, good dash (with 6 disc changer), almost new high end budget summer tryes, ran perfect before the cambelt slip.
