Beautiful litter of kc registered Boston terrier puppies with no endorsements. Hereditary clear of Hc-HSF4 We have for sale 1 red boy - 1 seal boy red gene carrier 2 seal girls red gene carriers All puppies have been on an intensive worming course from 2 weeks of age and have been frontlined. Born and raised inside my family home (no kennels) and very well socialised with children and other dogs. Puppies will all leave having 1st vaccination and microchipped and will leave with puppy pack including food, treats, scent blanket and.
