Hi there,

I'm Isabel, Portuguese, very friendly and experienced masseuses whose touch will take you to another world...

I'm offering sensual oily massage while we are listening to the relaxing music, atmosphere makes light of candles. All facilities you need are available in my place.

I charge £80-£90 per hour, depends what kind of massage will make you more satisfied...

I'm very close to Devons Road DLR station which is in between Canary Wharf and Stratford.

Let's have a good time and play with oil...
