They are a very unique cross breed of staff (mum. ) and Spanish Mastin Del Pirineo. I have 2 boys and 2 girls left all brindle with quite unique markings. Mum and pups around others dogs and cats. Mum is fantastic with children. Mum is very loving and happy... always wants to please. The pups are for sale currently at £450. They are ready for their forever homes in 2 weeks. Please let me know if you have any questions and if you would like to meet them and mum. We are in Cardiff and would consider delivering your pup should you chose 1. Thanks
