

A good murder mystery to read on Poole beach this summer (set in coastal town in B

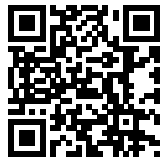

Location **South West, Dorset**
<https://www.freeadsz.co.uk/x-525220-z>

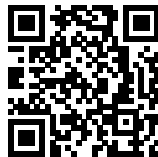

There's a French supermodel, a suspended cop who makes Colombo look well-dressed and an axe-wielding serial killer loose in a retro - but unnamed (!) - South Coast town. This exciting new story from Worthing-based Tartaruga Books races thrillingly through Brexit Britain – loveable characters, pacy plotting and a little humour. To order your copy (£1.99 ebook / £10 paperback incl. delivery):
